Summary of the Book of 1 Samuel

1 Samuel is a history book in the Old Testament of the Bible. This book teaches us that we must always obey God.

1 Samuel tells the story of the first king of Israel. For many centuries, Israel had no kings. The people did whatever they wanted to do. But God appointed special judges to lead the people. The last of these special judges was Samuel (1 Samuel 7:15). Samuel was a very holy man.

When Samuel was old, the people asked Samuel to appoint a king (1 Samuel 8). God told Samuel to appoint Saul. Saul sometimes obeyed God. But sometimes, Saul was evil.

So, God chose David to be king instead of Saul (1 Samuel 16). David trusted God. We see this when David fought Goliath (1 Samuel 17). And David loved God. But David did not become king immediately. Saul was still the king. David respected Saul. David even refused to attack Saul. The book of 1 Samuel ends with the story of Saul's death.

Summary of the Book of Romans

The Book of Romans is a letter from Paul to the Christians in Rome. Rome was probably the largest city in the world. Paul wrote the letter about the year 57. He probably wrote it while he was living in Corinth.

The Book of Romans shows us how God can save us from the punishment for our evil deeds. And the Book of Romans also teaches how we should live. Some of the important things we can learn from this book are:

- Everyone has done wrong things against God.
- God is angry about our evil deeds.
- God saves people who trust him..
- We cannot save ourselves by our own good works.
- When Jesus died, he died for us.
- God's Spirit helps us to do what is right.
- God always loves us.
- God shows us how to live.

The Book of Romans is in the New Testament part of the Bible.

Summary of the Book of 2 Samuel

2 Samuel is in the Old Testament of the Bible. It is a history book. We can learn many lessons for our own lives from the events in this book. 2 Samuel is about King David. The book discusses the events while David was king. David's soldiers fought many wars. They obtained the city of Jerusalem in a successful battle (2 Samuel 5). Jerusalem became their capital city.

David loved God. David was a good king, but he made some terrible errors. He had sex with a married woman called Bathsheba (2 Samuel 11). And David ordered the death of Bathsheba's husband. Later, David confessed his evil deed to God (Psalm 51).

Afterwards, David's own son, Absalom, fought against David (2 Samuel 18). But God saved David from all his enemies (2 Samuel 22).
